

Electronic Services Access Form

To use the on-line account access, an OFCU Electronic Services Access Form must be completed and turned in to a Member Service Representative to verify your enrollment. The second option is to sign up under DocuSign. This option is located under Forms on the Ozarkfcu.com website.

A valid e-mail address must be on file, matching the form to access this service.

Below the sign in button are two links: 'Forgot Password' and 'Forgot Username'. At the bottom, there are three icons: a location pin labeled 'Locator', a question mark labeled 'About Us', and a house labeled 'Home page'.
