

Who We Are

Ozark Federal Credit Union, established in 1952, is a member-owned financial cooperative, offering a range of banking and financial services to its members.

Our Mission Statement:

- To provide affordable financial services to our members and their families in Southeast and South-Central Missouri.
- To promote community development in our low-to-moderate-income areas.
- To encourage thrift savings and the wise use of credit for individuals and small businesses in the targeted areas.

Unlocking Financial Wisdom for Schools and Businesses

WORKSHOPS WE OFFER FOR FREE

1. Career Development

Finding Your Career Path: Empower yourself by discovering and nurturing your strengths and passions in our workshop, 'Finding Your Career Path.

Creating A Successful Career Life: Take the next step in launching your career with insights into resume building and interview techniques in 'Creating A Successful Career Life.

Starting A Small Business: If entrepreneurship is your goal, gain valuable perspectives on the various facets of owning a business through 'Starting A Small Business.

Feeling Burned Out: During challenging moments when you need a motivational boost, 'Feeling Burned Out' allows you to reflect on your career journey and rediscover the elements that made it successful.

2. Soft Skills

In the remote landscapes of Southeast and South Central Missouri, finding affordable soft skills training can be a challenge. At Ozark Federal Credit Union, we are committed to promoting community development as outlined in our mission statement. To address this challenge, we offer all our workshops free of charge. Some of our highly sought-after soft skills topics include:

- Customer Service
- Establishing a Workplace Mentoring Program
- Mastering Time Management
- Protect Yourself From Fraud

Unlock the power of these essential skills without any cost, as we believe in empowering our community through accessible and valuable training.

3. Financial Literacy

Money Doesn't Grow On Trees: Explore the key components of budgeting through our workshop, where we delve into four fundamental areas: Fixed Expenses, Flexible Expenses, Saving, and Giving.

The Balanced Life Reality Fairs: Immerse high school students in the real-world financial challenges and decisions adults face through our engaging hands-on activity, with two options: a class room scenario or full scale Reality Fair.

The 4Hs of Finances: Uncover the psychology behind spending habits in our workshop, where we examine the 4Hs of Finances that shape our views on money: Habits, Heredity, Hand Picked, and Hazards.

Understanding Checking Accounts and Loan Options: Explaining the process, risks and facts behind the options.

Tailored Solutions

We understand that each organization is unique, with its own set of challenges and goals. That's why we offer tailored solutions to meet the specific needs of your team.

Whether you choose from our existing workshops or request a customized topic, we aim to meet our hosts' needs and requests by researching the industry, examining successful processes, and reinforcing the desired points of the organization's culture.

Choose Ozark Federal Credit Union for training that goes beyond the generic, providing tailored solutions aligned with your goals. Your journey to enhanced financial knowledge starts here, where customization meets impact.
