# Finding Your Career Path

## What do you want to be when you grow up?

- Think long and hard about what you want to do.
- Dream about it.
- Believe in yourself.
- Dare to step out and do it.

## Ask yourself these questions:

- Will it meet my needs?
- Will I enjoy it?
- Is it in my ability?

## Education is Important!

- What are your strengths?
- What are your weaknesses?
- What do you enjoy doing?
- Do you want to work inside or outside?
- Do you like working with people?
- What time do you work best in the day?
- What motivates you?

## The average person changes career paths seven times in their lifetime.

### Key Ingredients:

- Always have a plan.
- Find a Mentor.
- Take time to train.

### Life is made up of seasons:

- Don't rush a season.
- Don't stay in a season too long because of past mistakes.

### What should I do with my future?

- Personality Profile Tests.
- Identify your natural talent.
- Identify your weaknesses
- Where do you need to improve?

### How can you do more?

- Find a mentor.

## Reputation is important.

- Be thick skinned and kind hearted, not thin skinned and hard hearted.
- When difficult situations happen, ask yourself: who, what, when, where, and why.
- Make positive investments into others.

## What forms your decisions?

- Attitude
- Honesty
- Integrity
- Goals

## Maintain a balanced life.

- Keep an attitude of gratitude.
- It takes hard work and dedication to achieve your goals.
- When the going gets tough, keep pushing yourself forward.
