Re: Letter of Support

To whom it may concern:

My name is Steve Halter and I am the President of the Greater Poplar Bluff Area Chamber of Commerce. I have known Davine Conover for many years now and can guarantee that anything she is involved with is going to be spectacular. Davine has such a passion to help people and businesses in any possible way.

I have read the book *Zoe Finds a Job* and find it to be very well written and focused on helping young people. Teaching financial literacy, in my opinion, has always been the responsibility of the parents. Unfortunately there is now a disconnect with many parents due to both parents in the workplace and the rising rate of divorce in our country. I believe this book plays an extremely important role in educating our youth about this very important topic. I also love how Davine uses a dog to get the message across, since pets are so relatable with children. Lastly, the giving component of this book is such a wonderful aspect of the program.

Please consider implementing Zoe's Club in your community.

Sincerely,

Steve Halter
